Middos Mentions!

Leora gave up her seat on the "fish" bench when she saw a classmate was upset at having to sit on the floor.

Tziporah made sure the classroom was cleaned up properly. Great Job!

Paysach worked through the math problem of the day in his head before offering the answer! Way to use your brain!

Moshe saw that a friend dropped something, so he ran to help and picked it up!

It's all in a day's work or play...

From the Principal

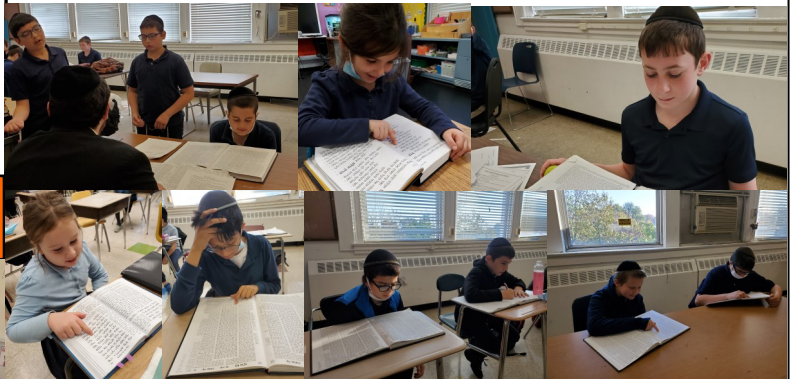

Mrs. Lea Goldstein

This week's principal's section is dedicated in honor of our 8th graders. The students in both our oldest boys' and girls' classes are great role models. They are respectful, hard-working and serious about their learning and growth. We appreciate their leadership and we're grateful that they are so kind to younger students and helpful to their teachers.

Sponsor a Day of Learning

We're excited to announce that we have formalized the Sponsor a Day of Learning program. It's easy! Simply fill out the online form on our website (or call the office if you don't have internet access) and we will dedicate the day that you specify in honor or in memory of that special person. The cost is \$180 for the dedication...it counts as tzedaka and it's tax-deductible!
