"Game Night" at DHR

Sunday, December 19th
7pm-9pm

From the Principal

Mrs. Lea Goldstein

All of us at DHR would like to wish you a happy, joyous, freilichin, wonderful Chanuka! We are already back to school and having lots of fun!

After testing nearly the entire school (except for those who didn't travel over the break), we are VERY happy and relieved to report that **EVERYONE tested negative!** Whew! Back to business! Yesterday, besides some great learning, all of the students (and teachers) at DHR made delicious Israeli sufganiot!! Yum!! The fillings/toppings included caramel, jelly, custard and chocolate. Such fun!!!

Today, our MSG had a fabulous Chanuka chagigah! The 8th grade girls made a super fun Kahoot game which had all of the 5th - 8th girls laughing and working together. They had other events and ended with a big bang: the girls got to make their own ice cream topped waffles, beautiful necklaces, and delicious sugar cookies! A big yasher koach to Mrs. Ayelet Ribakow and the 8th grade girls for all of their hard work to make this happen!

While they were busy today, our big guys and little guys enjoyed a flashmob Chanuka dance party and then a Chanuka school-wide trivia contest via our PA system! It was really entertaining!

Looking forward to an inspiring Shabbos Chanuka and our famous annual Chanuka "NOlympics" on Monday!

Middos Mentions!

Thank you to third grade girls: Pessi, Avigail, Fraida, Devorah, Shira, Shevy and Leah - who helped clean the stage! Wow!

Rabbi Ribakow is so proud of the boys in his class! The lunch room was a mess and the boys cleaned it up without being asked! Great job!
