Starting to think about next year at DHR...

Believe it or not, it is already time to begin preparing for the upcoming school year! We hope that you have, once again, decided that DHR is the best school for your child(ren)! You are already familiar with the high standards, truly caring faculty and happy atmosphere at DHR. We would be honored to have the privilege of educating your precious children for another year!

If you have already decided that you would like to send your child to DHR next year, please complete the [new, online application form](#) (if you'd prefer the paper version, please download and print it from our website or ask us for a hard copy) and return it along with the non-refundable \$300 registration fee per child.

Why do we start this process in the spring? We have found that it is incredibly difficult to hire teachers, order textbooks, finalize the number of classrooms needed and buy supplies without knowing how many students will be in each class. Please assist Derech HaTorah (and ultimately, your child) in ensuring a smooth planning process. In order for us to plan accurately for the 2022-2023 school year, and in order for your \$300 registration fee to be applied to your child's tuition, **we must receive the attached form and registration fee by March 21, 2022.**

We are eager to make the admissions process as easy and as painless as possible. If you have any questions, please do not hesitate to call or e-mail me at (585) 266-2920 or principal@derechhatorah.org.
