From the Principal

Dr. Lea E. Goldstein

What a blast!!! We broke out DHR's **מלחמת הצבעים-Color War** on Wednesday at dismissal with a "broken gate"!!! Then Thursday and Friday were non-stop fun and games! As always, it was all about sportsmanship, middos, teamwork, experiential learning, vitamin D and so much fun! As we go to print, we don't have a winner yet because it's so close, but they are ALL WINNERS!!!

Also, a major shout-out THANK YOU to:

- Our amazing faculty and staff who always give it their all!
- Volunteers Mrs. Adina Dan and Eitan Ben-Ari for their help!
- Parents and DHR staff members who helped the captains in the evenings.
- All of the VERY IMPRESSIVE captains who led their teams with grace, maturity and lots of ruach!
