Exciting News! Just 11 days left!

Join with the Talmudical Institute of Upstate New York (Rochester's Yeshiva) and Derech HaTorah Rochester - on May 11th & 12th - to advance community, continuity, and outstanding scholarship. This campaign will give you the opportunity to strengthen the only Kindergarten through Kollel school system in Western New York.

With the support of our parents, faculty, hanhala, and partners—we have built schools that are academically inspiring, nurturing, and joyful - with an individualized learning experience for each student. Our dedicated teams of educators, in both limudei kodesh and general studies, provide academically challenging curricula that motivates our young scholars to develop into intellectually curious, critical thinkers.

Your partnership and involvement will power a scholarship fund for almost 200 bright, excited minds from kindergarten to post graduate. A few moments today can change a life.

Why get involved?

For nearly 50 years, the Yeshiva of Rochester has inspired talmidim and developed greatness. With the creation of Derech HaTorah Rochester, the most comprehensive Jewish school system in Western New York was formed. By meeting the academic, social and emotional needs of students as they progress through their education, our schools empower our talmidim to become leaders, with the knowledge and skills to convey the beauty and promise of their heritage to their future families and communities.

How can you help?

We are asking of all of our parents to create teams with lofty goals - to benefit their own children and the community! Please tune in to our [parent Zoom this Sunday night at 8:45pm](#) to learn more!

Every dollar that you raise or you donate will be **TRIPLED!**

\$50	x 3	=\$150
