

Special Visitor

The 5th-8th grade girls really enjoyed their VIP visitor on Wednesday! Dr. Eva Pressman, Chair of the Department of Obstetrics and Gynecology at the University of Rochester, talked to our middle school girls about her experiences and education. They asked really great questions and learned a lot.

Girls Performance

Mrs. Davidowitz's 5/6 grade girls prepared and performed a skit called "The Holiness of Shabbos". In addition to the meaningful message imparted to the audience, this skit was unique in that it was spoken entirely in Hebrew. Thank you to the students, teachers and parents who came to watch!

DHR Uniform Update

There will no longer be a group order of uniforms being placed. Many of our families already have been doing their own shopping and with expanded online shopping, there really is no need for the group order. To order the uniforms online: Engelicuniforms.com, Landsend.com, Frenchtoast.com and Oldnavy.com. Attached you will find more information on our uniform update and policy. Thank you to Mrs. Malkie Noble for 12 years of uniform coordination.

Important Schedule Change

Due to Light of Israel's Sunday Hachnosas Sefer Torah parade, DHR's 5th - 8th boys will finish their Sunday shiurim at 10:30am this Sunday (instead of the usual 11:15am dismissal) and will then get rides directly to the parade to give them the opportunity to sing, dance and give honor to the new Torah!

From the Principal Mrs. Lea Goldstein

This week's column is dedicated in memory of my beloved Grandma, Mrs. Muriel Davidowitz, ע"ה.

The local, overwhelming response to the opportunity to "say goodbye" and walk behind Grandma's aron late last Motzai Shabbos was a testament to the impact that she had upon our community. The large crowd that turned out on such short notice at her levaya in NYC was heartwarming and amazing. Then, with even less notice, her levaya and kevera in Eretz Yisrael drew many people from everywhere. The crowds escorted Grandma with honor and appreciation for all that she accomplished in this world.

During the week of shiva, people talked about her accomplishments that spanned nearly a century. She was famous for her incredible dedication to chesed, how much she cared for others, her generosity and her heartfelt tefillos.

May Grandma's family and many friends of all ages be comforted and inspired. "המקום ינחם אתכם בתוך שאר אבלי ציון וירושלים."
