From the Principal

Mrs. Lea Goldstein

I hope that you are all having a wonderful, rejuvenating, relaxing summer. Here at DHR, we are not exactly relaxing, because we are gearing up for another fabulous year! The floors are being waxed, new textbooks and computers are being delivered, supplies and materials are being ordered and organized, and new and returning teachers are calling to find out when they can start setting up their classrooms. We are counting down to a great year and are looking forward to welcoming returning students and lots of new faces! Please don't hesitate to contact me if you have any ideas, suggestions, questions or concerns. Have a great rest of the summer!
