

Getting ready for Pesach!

Matzah platters, charoses making, romaine lettuce checking, reclining workshop, hechsher keilim and, of course, projects!

You're a Poet... And you know it!

Mrs. Polatoff's 4/5 Girls celebrated the completion of their ELA poetry booklets- with a Poetry Publishing Party! Each girl exercised her creative writing skills by writing her own booklet of poetry. Attendees at the party had the opportunity to view/listen to various types of poems, such as acrostic, diamante, and limerick! Thank you to Mrs. Stoll for her help, and to the parents and students who attended!

Mazel Tov to...

...Mrs. Miriam Polatoff's 4/5 Girls for their impressive poetry.
...Rabbi Roness and his 6th grade shiur for collecting enough bottles to finance their tzitzis project.
...Mrs. Devorah Shulman's middle school girls for their delicious breakfast Chumash siyum. They celebrated by thinking of great connections between "Breakfast" and "Korban Pesach".

Condolences to...

...Mrs. Chayala Diskind upon the loss of her grandfather and the Diskind boys upon the loss of their great-grandfather, Rabbi Reuvain Rapoport (Aharon Reuvain Ben Hinda).
