Chanuka Packages for Soldiers!

Once again, we are asking DHR families to help us send Chanuka cards and care packages to U.S. soldiers serving and around the world. It brings so much joy to soldiers celebrating Chanuka far from their families. The coordinator, Keith Freedman, sent the following message to DHR:

"So happy to hear that Derech HaTorah will participate again this year. Your students and families make the prettiest cards and best care packages! Derech HaTorah's families have been so very generous. In addition to cards, if families want to make baked goods or put together packages (as many families have in the past) that would be greatly appreciated. Many of the soldiers are away from their bases for days or weeks on missions so special homemade treats and travel items work best (mini shampoos, toothpaste, baby wipes, etc.)". All cards and donations need to be in the DHR office by Monday, November 20 in order to have enough time to reach the soldiers by the first night of Chanuka. Once again, Mrs. Chayala Diskind, has offered to put together special care packages for soldiers. She is hoping to do between 50 - 100 but would appreciate donations to help offset the costs of purchasing all the items. To participate, please send your contribution to school in an envelope labeled "Soldier Packages".
