Learning Torah is Fun!

Kindergarten is in full swing working on their Torah Fair project and DHR's 2nd graders are enjoying the introduction of the Midah of Zerizus!

1st Grade - Our World Unit

The first graders are working on a unit titled Our World. This week they worked in groups to create a map along with a map key of the classroom. The children did a wonderful job and their creations are hanging in the hallway for everyone to enjoy.
