

Special Presentations

2nd grade has been learning about our Rochester community in Social Studies.

Mr. Elich's 8th grade boys' class welcomed Mr. Ed Tasker, a State Farm Insurance Agent, who spoke to the boys about the importance of having insurance and the different types of insurance available.

From the Principal Mrs. Lea Goldstein

It's great to be back, but it was also REALLY nice to be in Israel! My husband and I were in Eretz Yisrael for a week and it was fabulous! We had a chance to spend time with our daughter who is in school there, as well as visit and host quite a few DHR and TIUNY alumni who are learning and/or living in Israel now. We really "shepped nachas" from their growth and maturity.

We walked all around Yerushalayim and were fortunate to meet some amazing, inspiring people. We visited the kevarim of three of my grandparents and numerous gedolim who are buried on Har Menuchos. We also took a day trip to Modiin and visited Netiv Zevulun, our sister school. It was lots of fun! Finally, we had the great privilege of davning several times at the kosel where we prayed for many things, including the continued success of DHR, our community and klal Yisrael.

Megillathon

As we shared previously, we are replacing this year's raffle with the TIUNY-DHR Megillathon Challenge! Here's the way it works: For many years, the Yeshiva has held an annual Megillathon during which talmidim learn Meseches Megilla and earn prizes. It has been a very successful program. This year, we have added several additional dimensions. First, DHR guys in 6th-8th are invited to join in the Megillathon with TIUNY's high school, Bais Medrash and kollel. Also, this year, all those who are learning Meseches Megilla are being asked to get sponsors. It costs \$36 to sponsor a daf/blatt/page and sponsors who might not have the time or ability to learn this tractate of the gemara get 50% of the reward! It's as if they are learning, too! Those who sponsor 3 or more blatt also receive a leatherette Artscroll Megillas Esther for Purim use.

So, please join the Megillathon Challenge! For more information, please speak to one of the participating young men or call the DHR office or reach out to Rabbi Danny Goldstein.

Thank You to...

- ...Nancy Klein for her \$100 donation!
- ...Mr. Jeremy Loncao for purchasing and donating hockey and goalie equipment to protect our young goalies during the hockey unit!
- ...Parents, students and friends who collect and send in Box Tops for Education. We just received a check for \$172.90!
- ...R' Ross Kosow for installing our new pull-up bar!
