

DHR Celebrates School Choice Week!

This week, our students celebrated National School Choice Week by attending DHR. We posed for a school picture wearing our new bright yellow school choice scarves. Started in 2011, NSCW is now the world's largest annual celebration of opportunity in

education. Over the past nine years, more than 131,000 NSCW events have been planned across the country and around the world. NSCW is a nonpartisan, nonpolitical, independent public awareness effort.

Kindergarten Klei Zemer and zebra party!

Wow! Our kindergarteners learned the letter "zayin" and had a "klei zemer" (musical instrument) and zebra party! It was fun! A special highlight was when Mrs. Goldstein introduced them to the Israeli song: "מי יודע מדוע ולמה לובשת הזברה פיג'מה"

STEM Lab Learning

Our 6th & 7th grade classes worked hard on their scale models of our solar system (1cm = 10,000 miles).

From the Principal

Mrs. Lea Goldstein

The major emphasis this coming week, with the auction three weeks away, is solicitation. We need help from all of you!!! Take a few minutes to make a list of connections that you have developed and of businesses that you frequent. Then, please call or visit businesses, tell them about your children's wonderful school and ask them to donate an item for this big, upcoming event. When they agree to donate, call or email our office to let us know what donation you solicited and whether it needs to be picked up from the donor.

Also, please keep in mind that if you are receiving a DHR scholarship or the New Family Discount, you are contractually required to participate in the \$1,000 Give-or-Get program. Up to \$500 of that can be credited to your account for working up to 10 hours on the DHR Scholarship Auction or Dinner/Journal (in May).

It's going to be an exciting, wonderful event with a new "Chinese Auction" format where you buy tickets instead of bidding! This year's Scholarship Auction will be held at DHR and will feature a delicious menu made fresh in our new kitchen. But, to make this all possible, we need parental help and involvement! Please talk it up with your friends!
