2nd-Grade Snowman Party!

Second graders enjoyed a special Snowman Party as a reward for filling their class snowball bin! Students competed in teams to "build" a human snowman with toilet paper and accessories! They also got to make (and eat!) yummy, edible marshmallow snowmen!

Musical Visit

Mottel's mother, Mrs. Vogel, came into the kindergarten classroom and played songs from our poetry notebook and taught some new songs as well. The children also got the opportunity to play different instruments.

From the Principal Mrs. Lea Goldstein

The big weekend is here! We are looking forward to welcoming you to a wonderful evening celebrating Derech HaTorah and recognizing the inspiring dedication of the Springut family!

We are planning delicious hors d'oeuvres, dinner and desserts for this Sunday evening! An added treat will be a surprise guest speaker (everyone loves to listen to him) and the Rochester Boys' Choir! Finally, a big shout-out to our wonderful volunteers and a major thank you especially to our chef Mr. Yoni Dahari, our pastry chef Mrs. Orly Tsits and Rabbi Danny Goldstein for all of their extra efforts! Looking forward to seeing you Sunday evening!
