From the Principal Mrs. Lea Goldstein

What a beautiful evening! We were thrilled to honor Jeff & Lyn Springut and remember their beloved son Gavi on Sunday evening at our Annual Scholarship Dinner. The dinner was our most well-attended, the food was delicious, the event was elegant, and the speeches were beautiful and meaningful.

We greatly appreciate our very generous "Wings of DHR" who all chipped in together to match every ad of \$1,000 or more with \$1,000. Thanks to them and our other generous donors, our Scholarship Journal raised over \$150,000!! We are thrilled with the result and so appreciative of our honorees and many friends of DHR.

I would also like to thank our surprise speaker, Dr. Ralph Madeb, who traveled from Brooklyn to speak about the Springuts and help present DHR's gift to the honorees. Also at the dinner, Rabbi Danny Goldstein, our Executive Director, made a special announcement about DHR's participation in the Life & Legacy Program. Finally, our guests and honorees truly enjoyed the adorable and talented Rochester Boys' Choir's inspired performance! Thanks to Dr. Baruch Eisenberg, the choir director and Mrs. Malkie Eisenberg, their accompanist.

The fabulous cuisine, both at the smorgasbord and dinner, was prepared by DHR parent and chef Mr. Yoni Dahari and his team of talented parent volunteers. The desserts were masterfully prepared by DHR parent Mrs. Orly Tsits. Our TIUNY waiters, led by Daniel Sherrington, did a wonderful job. The beautiful Journal was printed, once again, by Print Roc.

We couldn't have done it without all the volunteers, especially DHR parent Mr. Mordechai Rennert, who pitched in before, during and after the dinner to ensure its success. Thank you so much!!!

For those friends of DHR who were unable to attend the dinner, please visit our website, www.derechhatorah.org, choose the "Support DHR" tab, then select "Dinner & Journal" to watch the newest DHR video and peruse the electronic version of our Scholarship Journal.
