Adar Auction - Treasures Unmasked

Auction weekend is here! Everything looks beautiful thanks to the hard work and creativity of our volunteers and the generosity of our many donors! We also need and appreciate every single guest. So, please make sure to bring your friends and colleagues!

This year, we have over 110 packages containing approximately 200 items! All donated! What does that mean? First of all, it means that there are many gracious and generous donors who want to contribute to a great cause! Also, it means that guests can win great deals since all packages are donated (no costs) and whatever price the package is purchased for - is profit! Finally, it means that EVERY dollar raised at the auction will fund scholarships!

A Chinese Auction is a combination of a raffle and an auction. At a Chinese Auction, guests can buy tickets to put in for each prize. There is no limit to the amount of tickets one can purchase for each prize or the amount of prizes one can put in for. At the conclusion of the event, one winning ticket is drawn for each prize, and the prize is given to the owner of that ticket.

- ♦ Blue Ticket (for \$25 packages) \$25.00
