

## Safety Week at DHR!

We'd like to say THANK YOU to our neighborhood emergency responders for visiting DHR this week. Our students loved getting up-close looks inside the ambulance and had lots of great questions for Dave and Taylor from Greece Ambulance. Dean Smith, Greece's Fire Safety Educator, talked about swimming pool safety, bike helmet use and fire safety in children's homes. Sergeant Jared Rene and officer Brian Larkin of the Greece Police Department talked about their responsibilities and what's involved in policing an area as large as Greece as well as important safety information. Special thanks to first grade parent Mrs. Devorah Scutaru for coordinating Safety Week.

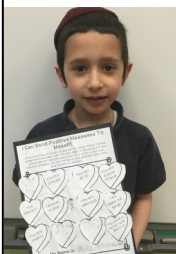

## 2nd Grade Shavuot Art Projects!

## Self Esteem & Bishvili Nivrah Haolom Unit!

We are winding down our unit on Self Esteem and "Bishvili Nivrah Haolom"!

In this unit we discussed our value, what our strengths are, and how we can use them to serve Hashem and help others! We concluded our unit with the topics of "nobody is perfect" and "positive self talk". We created "positive messages to myself" projects! Please ask your children about the game we played to make this an automatic process in our brains!

## Refuah Shelaima to...

...Rabbi Yitzzy Cohen. We hope he has a speedy recovery!

## Middos Menschen

**Mendel Hein, 3rd grade** - Mendel was super helpful and respectful during Library time! - Mrs. Mammon

**Chava Tova London, 3rd grade** - I overheard Chava Tova cheerfully say thank you for being here and cleaning for us" to our new janitor Limous. What wonderful Hakaras Hatov! - Mrs. Mammon
