We are especially proud of our hardworking students and dedicated teachers.

Color War 2019!!!

What a wonderful Color War! Baruch Hashem, we were blessed with two rain-free days of beautiful weather! The sportsmanship was beautiful to see, the athletic feats were impressive and the teamwork was inspiring! We are very proud of our students, who had their talents showcased in many different areas during this Color War! Our athletes displayed their prowess in the many sports games, our fleet-footed racers flew through Overtake and the Marathons, our brainiest students loved Where In The World, the Chumash Chidon, the High Speed Gemara/Mishna Chidon and the Tzedaka/Tefilla Lunch Quiz. Our captains, co-captains, the other natural leaders, took charge and did a wonderful job of getting everyone involved and making sure that everyone was included. As we go to print, we don't know who will win this Color War, but we have definitely ascertained that they are all winners!!
