Important Reminder!

Allergy Notice:

Due to a 2nd grade student's allergies, we are not allowed to heat up fish in the school microwaves. Please do not send your child to school with fish that needs to be warmed up. Cold tuna fish is fine.

Mr. Loncao wants to remind students to please wear or bring sneakers on days that they have gym and/or recess. Dress shoes are not permitted on the gym floor!

From the Principal

Mrs. Lea Goldstein

Welcome back to DHR! We had a very busy, productive summer and we're excited to share all of the great new additions and upgrades with our students. We are also honored that you have entrusted us with your precious gems this year!

I would also like to take this opportunity to invite all of our parents to Meet the Teacher Night on Tuesday, Sept. 17 from 7:30-8:30pm. We will be trying out a completely new format this year. Instead of spending 10 minutes in each room and then running to the next classroom, we will simply have an Open House, with all classrooms open for that hour. Teachers will be available to show off their classrooms, share their expectations and answer any questions.

As we all know, communication between school and home is exceedingly important to a child's success in school. When administrators, teachers, and other school staff collaborate with parents, it supports children's learning. So, please put Open House Night on your calendar and team up with us to make sure that all of our students have a successful, fabulous year!
