Before and After Sukkas Break!

From the Principal

Mrs. Lea Goldstein

Welcome back! We hope that you all enjoyed the yomim tovim. Most of the children looked tired during this short school week, but overall, they seemed excited to be back at school. We have over a month of school straight now until Thanksgiving break (except for DHR Conference Day on Veterans Day, 11/11). We are looking forward to lots of fun and learning!

Chanukah Soldier Packages

Once again, we are asking DHR families to help us send Chanuka cards and care packages to Jewish U.S. soldiers serving around the world. It brings so much joy to the soldiers celebrating Chanuka far from their families. All cards and donations need to be in the DHR office by **December 5** in order to have enough time to reach the soldiers by the first night of Chanukah. We appreciate the years that Mrs. Chayala Diskind coordinated this project and are looking for volunteers to help with this years' project. To participate, please send your packages of home-baked goods, cards, toiletries, etc. to school over the next few weeks. Let's brighten the lives of our soldiers this Chanuka! If you can help coordinate, please contact the office.

Winter Weather Reminder!

With winter weather quickly approaching, it is important to send your children to school with hats, gloves, chapstick, lotion (if needed) and of course, coats! Most of us in the northeast need more vitamin D and sunshine, so we have recess outdoors whenever possible. Also, please help us avoid another outbreak of the flu by making sure your children get their flu shots.
