

## Color War 2021!!!

## From the Principal

Mrs. Lea Goldstein

**שמש - SUN**  
**COLOR: Yellow & Orange**

**ירח - MOON**  
**COLOR: White & Gray**

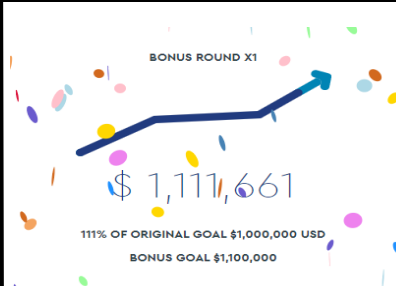

When COVID-19 cancelled last year's planned color war, we decided to plan an extra half day of Color War this year to make up for it. What a wonderful Color War! Baruch Hashem, we were blessed with three days of beautiful sunny (but hot) weather! The breakout (CDC inspectors) was epic, the teamwork was inspiring and the athletic feats were impressive. We are very proud of our students, who had their talents showcased in many different areas during this Color War! Our athletes displayed their prowess in the many sports games, our fleet-footed racers flew through Overtake and the Marathons, our brainiest students loved the Luminaries Treasure Game, the High Speed Gemara/Mishna Chidon and the Lunch Quiz. Our captains, co-captains, and other natural leaders, took charge and did a wonderful job of getting everyone involved and making sure that everyone was included. As we go to print, we don't know who will win this Color War, but we have definitely ascertained that they are all winners!!

Shortly before Shavuos, we were honored to welcome VIP guests Mrs. Ilene Flaum and DHR Ambassador Mrs. Karen Kessler. At the end of their tour, we surprised them by dancing the Kosow Torah, dedicated by the Flaum Family, into the first grade room. There, Rabbi Caro's first graders read and translated, beautifully, from the magnificent Torah. Of course, there were no nekudos (vowels), but that didn't stop the incredible first graders! So impressive!
