

## The 4/5 Boys' "State Fair"

Over the past few weeks, the 4/5 boys have been learning about the 50 states. They have spent a lot of time memorizing the states and their capitals. At the end of the unit, each boy gave a presentation on a chosen state. It's clear how much work (and fun) they put into their projects!

## 2021 Production

The middle school girls' "Secrets from the Past" Production was a hit! They acted, danced and sang...and the audience loved it. Great job, girls! The 4/5 girls' choir was also amazing and melodic.

Special thanks to the directors, Mrs. Bracha London and Mrs. Devorah Shulman, to our very own drama consultant, Mrs. Kathy Clarke, and to our choir director Mrs. Ayelet Ribakow. We also appreciate the assistance of DHR alumnae Hindy London and Malka Lehrer for directing the song-dance, and Sara Leah (London) Kormendi for designing the flyer. Special thanks to Mrs. Esther Caro for help with art and makeup. Finally, the 6-8 girls are looking forward to their cast pizza party, organized by Mrs. Shulman planned for this Motzai Shabbos!

## Metzuyanim Honor Roll

While just 16 students earned the first honor roll party (deluxe BBQ) and 18 students earned spots at the second honor roll party (pizza party), by the third honor roll event (party limousine bus to Rita's & the park) 21 students had earned spots. Finally, this week's fourth and final honor roll party (massive waterslide/bounce house, cotton candy and popcorn) included over 40 students! Clearly, our students have been incentivized to buckle down, up their game, improve behavior and become more responsible! We are so proud of all those who earned spots on honor roll! **MAZEL TOV!!!**
