

Derech HaTorah summer homework

Rabbi Cohen

3rd grade

Limudei Kodesh

The students should complete a full review of Parshas Chaya Sarah and Toldose by reading and translating 3-4 Pesukim per day. Please try to follow the following daily schedule which includes Shabbos. Make updays are available at the end of the schedule if needed. Parents should put their initials by each day that the homework is completed. Thanks and have an amazing summer.

Also, any workbooks (Dikduke, Chayeinu, or Rashi) not completed over the course of the year can be finished for credit in September.
